

2017 Bishop's Falls Residential Curbside Spring Clean-up

Residential Spring clean-up in Bishop's Falls will take place during the following period:

Collection Week	Area
May 29 – June 2	If your household garbage is collected on Tuesdays, this is your collection week.
June 5 – 9	If your household garbage is collected on Wednesdays, this is your collection week.
June 12 – 16	If your household garbage is collected on Thursdays, this is your collection week.

Residents are required to separate their waste materials into three distinct and separate piles as follows:

- Metals (appliances must have Freon removed).
- Wood, including tree branches cut in five foot lengths and tied in bundles weighing no more than 50 lbs.
- All other waste (i.e. mattresses, couches, grass clippings, leaves, etc.).

The Town will not collect the following items:

- Tires (return to place of original purchase).
- Household hazardous waste (accepted at the Regional Waste Management Facility in Norris Arm).
- Household paints (accepted at the Regional Waste Management Facility in Norris Arm).
- Shingles (accepted at the Regional Waste Management Facility in Norris Arm).
- Construction/Renovation/Demolition waste (accepted at the Regional Waste Management Facility in Norris Arm). Please note this includes windows, siding, doors, etc.
- Rocks and gravel.
- Electronics (accepted at the Regional Waste Management Facility in Norris Arm).

Residents must also note the following:

- Loose items must be placed in clear bags. Black or dark bags will not be collected.
- Leaves and grass clippings must be placed in clear bags and can weigh no more than 50 lbs per bag.
- Cardboard boxes cannot be used to dispose of waste.
- If you are disposing cardboard, it must be placed in clear bags.
- The waste must be separated into three separate and distinct piles as noted above.
- Do not place your waste to the curb until the Sunday before your collection week.
- The Town will only collect waste from your property on one occasion.
- Items placed after the scheduled pick-up week for your area will not be collected.

**If you have any questions please do not hesitate to contact the Town Office at 258 6581.
Your cooperation is appreciated!**
