

Town of Bishop's Falls

Application Form – Caregiver Water Rate Exemption

Policy governing application:

The Town of Bishop's Falls has enacted a policy commencing with the _____ fiscal period to provide an exemption for the second water unit of a residential home where one of the two units within the residential structure is utilized to accommodate Caregiver Services for a mother, father, mother-in-law or father-in-law 65 years +. Policy guideline will also allow an exemption in cases where a mother, father, mother-in-law, father-in-law meets the qualifying guidelines and has not reached the age of 65 under a Special Consideration Component of the policy. For exemption consideration this form must be completed by the property owner identified in the _____ Assessment Records of the Town of Bishop's Falls. Property owner/caregiver must be residing at the civic address for which the exemption is being requested. Applications submitted for change of ownership to residential properties required for purposes of updating Assessment Records must be accompanied by legal documentation (Deed of Conveyance) verifying the current ownership status of the residential home. **Retroactivity in connection with this policy will not be considered by the town. Applications for exemption must be submitted annually no later than March 1st for consideration and recommendation by the Finance Committee of Council.**
